## PARTNER WITH US TO ASSIST MORE HOMELESS INDIVIDUALS...

In this time where there is such a great need for bed space we would like to upgrade our Haven Claremont shelter from a 38 bed shelter to a 100 bed shelter.

We ask that you open your hearts and donate to this project as it would make a difference in the lives of people in and around Claremont.

**We estimate that the project should cost R4 million.**

We thank you for your donations toward project Napier, we are in the process of creating the 60 bed spaces.
